RESPONSE TO EX PARTE QUAYLE ACTION

Sir:

In response to the *Ex Parte Quayle* action mailed January 6, 2012, Applicants respectfully traverse. This application is a division of Application Serial No. 09/863,928. A copy of the Oath and Declaration from the parent application is submitted herewith as Exhibit 1. This Declaration conforms completely with the rules. An excerpt from this Declaration is reproduced blow.

I state that I have reviewed and understand the contents of the specification identified above, including the claim(s), as amended by any amendment referred to above.

I acknowledge the duty to disclose information that is material to the patentability of the application identified above in accordance with 37 CFR 1.56.

I claim foreign priority benefits under 35 USC 119(a)-(d) or 365(b) of any foreign application(s) for patent or inventor's certificate or 365(a) of any PCT international application(s) designating at least one country other than the United States of America listed below and have also identified below any foreign application(s) for patent, utility model, design registration, or inventor's certificate or any PCT international application(s) designating at least one country other than the United States of America filed by me on the same subject matter and having a filing date before that of the application(s) from which the benefit of priority is claimed.
